

PENN-TRAFFORD WARRIOR BASEBALL BOOSTERS

2012 SPRING TRAINING BY-LAWS**

- Each player's fundraising monies will be tracked individually in their own accounts.
 - Players are still responsible for the 2012 General Fund fundraising profits. The Spring Training fundraisers are in addition to the General Fund fundraising and/or Buy-Out Option.
1. There will be a total price established per player for the trip. This amount will be determined by where they go and for length of stay.
 2. Each player and their parent/legal guardian must sign a Letter of Commitment and pay a \$100 deposit or have \$100.00 Credit **already** in their Player Account.* (If this deposit is not used toward the cost of the 2012 Spring Trip, this amount will remain in the player's account to help offset the cost of a future Spring Trip).
 3. Ample fundraising opportunities will be available to offset the total cost of the trip.
 4. Each player can participate in any and all of these fundraisers. The trip balance due (if not covered by the fundraisers) must be made up in **full by the player** at dates to be determined.
 5. If the player's family does not want to participate in the fundraisers, they can choose to pay the total amount out of pocket (parents write a check). If this option is chosen, the total amount must be paid in full by a date to be determined. (The transportation balance is due first, the room cost later).
 6. If paid out of pocket (see # 5) and the trip does not occur or the player becomes ineligible to attend the trip (due to: not maintaining eligibility requirements of the school district such as suspensions, minimum grade requirements, too many absences, etc.; the WPIAL rules such as transfers; or if he does not make the team) then you will be refunded that amount. In all cases, the Head Coach's decisions are final.
 7. If for some reason the **trip** does not occur, any **fundraiser** money will NOT be returned to the player. Fundraised money is the property of the Booster organization and will remain in that player's account.
 8. If unforeseen circumstances occur and the player is unable to attend the trip, his Spring Training fundraising monies will be kept in his name. This money is to be used only for future Spring Training trips (NOT for the "General Fund" Buy-Out option).
 9. If the player is a senior and the trip does not happen or he is unable to attend the trip, he cannot be refunded his fundraising monies and they will be directed to the general fund. See, *PTWBB General By-laws, Article X: Fundraising Monies, Section D* for the exception to this Rule.

I have read and agree to the terms of the above By-Laws.

Parent Name (please print) _____

Parent Signature _____ Date _____

****Note, these By-laws pertain to the Spring Training Trip and specifically the Commitment letter and are in addition to/relate to and are part of the General PTWBB Bylaws**
